

# AQUA ENERGIZER™ Garden Device Installation Instructions

## Specifications

**Weight:** 1 lb 1 ounces

**Length:** 7 inches

**Materials:** Copper, Quartz, Minerals

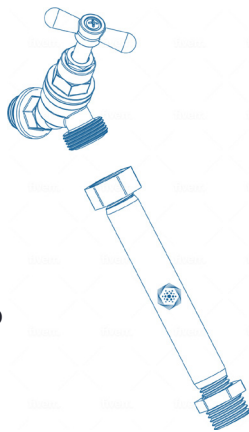

**Water Pressure:** Approved for up to 80 psi

**Fittings:** 3/4 inch male and female hose thread

This AQUA ENERGIZER™ Garden Device is equipped with 3/4 inch standard hose fittings allowing it to be easily attached directly to your garden hose or garden spigot.

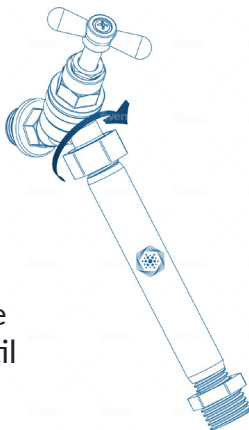

### Step 1

Remove your AQUA ENERGIZER Garden Device from the package and prepare to install.

### Step 2

Place the end of the device flush with the threads of the spigot, and twist in a clockwise direction to tighten until firmly in place.

### Step 3

Attach a hose to the other end of the garden device. It is ready for use!
